Solefield School presents our Summer Junior Futsal camp. The camp is open for boys and girls in year groups 1-3, and will look to encourage the children to develop their football skills.

Futsal is the FIFA-recognised form of small-sided indoor football. It is played between two teams who each have five players on the pitch at any one time, with rolling substitutes and a smaller ball than soccer that is harder and less bouncy.

The small amount of space means players must have great technique and skill, and as well as a professional sport in its own right with national and international championships, it is also considered a development tool for 11-a-side football. Children will need to bring their own water bottle.

Children can wear any football kit they like but must be wearing shin pads and trainers for the camps duration.

Payment invoice will be sent on the final day of the camps.
